Take-home mini-book

1 Photocopy the sheets of mini-book pages, preferably enlarged to A3.

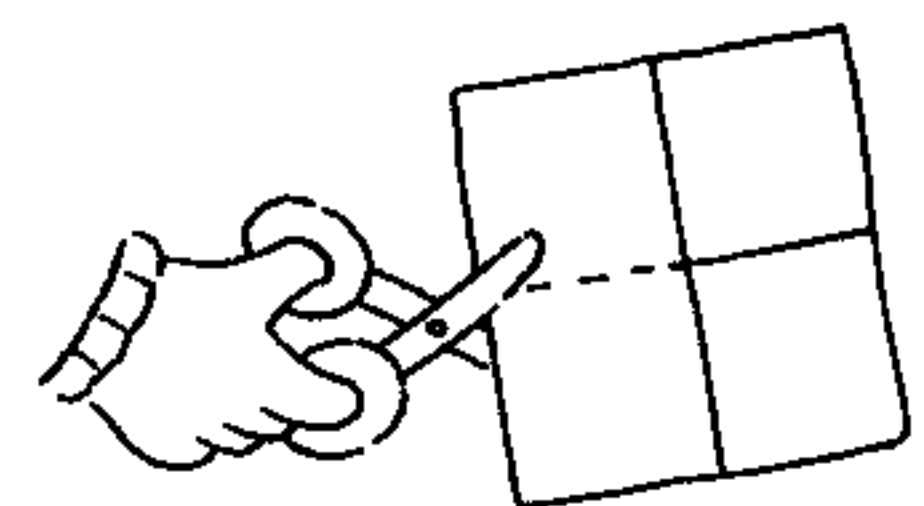

2 Fold photocopied sheet in half lengthways, keeping the pictures on the outside.

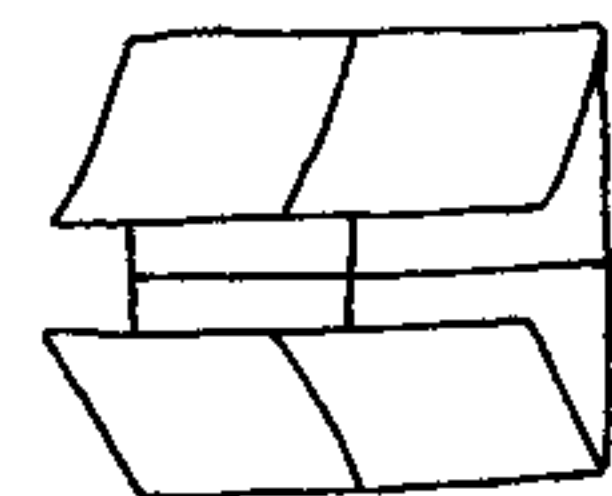

3 Open out the sheet and fold in half widthways keeping the pictures on the outside.

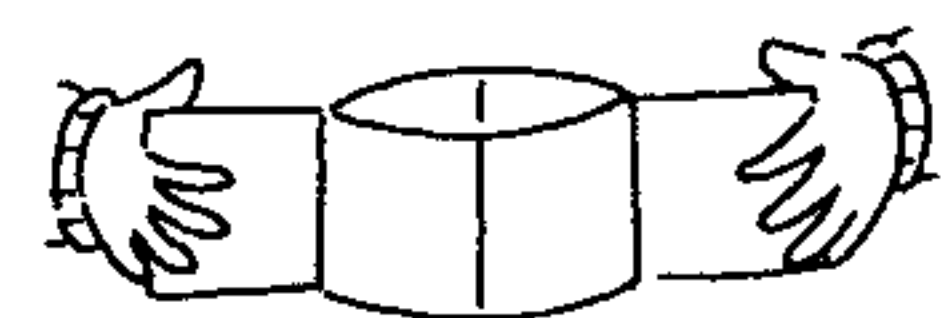

4 Cut along the dotted line. Open out.

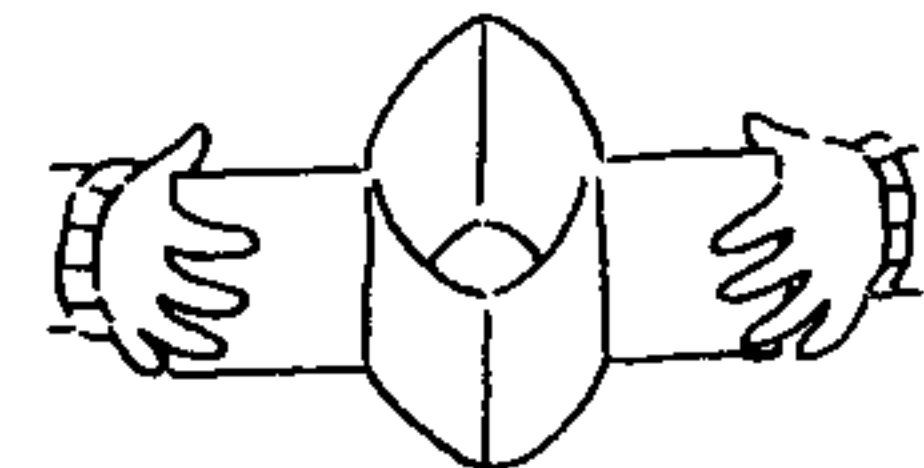

5 Fold along the remaining solid lines. This time the pictures are on the inside. Open out.

6 Fold lengthways again keeping the pictures on the outside.

7 Hold in this position and in one movement fold as shown.

8 Fold into a book shape, with title at the front.

9 Repeat this process with the next sheet and insert in the centre of the original one. For a 24-page book repeat process.
