

Dear Sofia,

Wow! It's been fantastic learning to read with you. Thank you for teaching me my letters, sounds, tricky words and helping me with my sentence practice. I feel really confident reading now!

We're over half way through the game, but there are still some more planets to explore and games to play.

Will you help me to banish the Goblin Prince and Princess for good? I really hope so.

Let's go!

Your Monster
