L1: Re - what is the Eucharist?

1 Do you think the mood changes when the congregation take Eucharist?
Yes because it's friendly.

2 What might the congregation be thinking about?
They might be thinking about being close to Jesus and thinking about the last supper?

3 What do the bread and wine represent?
The bread represent the body of Jesus and the wine represents the blood of Jesus.

4 Why is the Eucharist a celebration and a serious moment?
It is a celebration because they are being blessed but it's also a serious moment because their thinking about Jesus having the last supper 2000 years ago.

5 How do you think the Eucharist will have to change in light of the current coronavirus outbreak?

At the moment all church services have been cancelled except from funerals. However before this people probably had to sit quite a bit from each other and a limit how many people are in the church. People should not share a cup of wine they should have their own cup and the bread they should have some gloves on.
