

What to do today

IMPORTANT Parent or Carer – Read this page with your child and check that you are happy with what they have to do and any weblinks or use of internet.

1. Watch the video-message again

- Watch Laura Smyth's message again. What do you notice new when you watch it this time?
<https://www.youtube.com/watch?v=B4lraxptJjs>
- Look at the *Film Stills*. Where in the message do you think these come? What emotions do you think that Laura is showing in each of these stills?

2. Investigate emotions

- Read *Emotion Words*. Circle and then find out about 3-5 words that you don't know. You could use a book dictionary or this online dictionary:
<https://kids.wordsmyth.net/we/>
- Write definitions in your own words.
- Choose and write three *Emotion Words* for each of the pictures on *Film Stills*.

2. Write and perform your own message

- Choose three of your ideas from Day 1.
- Try speaking about them out loud. Then write a *Script* to use.
- Perform your script. Make a recording if you can and plan to watch it again in six months' time.
