Features of Vehicles

Have a look at some different vehicles then choose 3 of your favourites to describe in the chart below.

Name of vehicle	How many wheels does it have?	What is it used for?	What other features does it have?

Draw and label a picture of one of these vehicles here:

**Tractor**

I have four wheels. I am used to carry lots of people at once. I have lots of windows and I am very long.

**Motorbike**

I have two big wheels at the back and two smaller wheels at the front. I am used on farms.

**Pushchair**

I have two wheels attached to my front section and two wheels attached to my back section. I am very big and used to transport objects.

**Golf Buggy**

I have two wheels. I have a seat and handlebars.

**Coach**

I have four sets of wheels but eight wheels altogether. I have two handles so I can be pushed. I am used to carry small children.

**Car**

I have four small wheels. I have a roof but no windows. I have no windscreen.

**Quadbike**

I have four wheels, a windscreen and six windows. I am used to carry people from place to place.

**Lorry**

I have four wheels. I have handlebars and a seat. I do not have a roof. I have metal bars over the bodywork to stop it from getting damaged.
