L. I. P - Day

1. In which part of France did the Allied forces land?
Normandy
2. What does the word "liberation" mean?
3. Who were the British commander and the American general in charge of the attack?
General Bernard ~~Mont~~ Montgomery.
4. How did the codebreakers help the Allied plans?
They were able to read the Germans messages.
5. How do you think "the right weather, a full moon, and high tide conditions" would help in invasion plans?
They could use the moon light instead of torches that would need the high tide for boats to get to shore they need the good weather to move around easily.
6. As well as soldier parachutes what else was dropped from the aeroplanes during the attack?
1,000^s of dummbombs were dropped to make the enemy think that many more men were parachuting down.
7. How did the BBC holiday Soap Competition help the invasion plans?
The BBC ran a competition for French beach holiday photos. It was really a way of gathering info on suitable beaches for landing troops and tanks.

8 Why do you think Erwin Rommel went home if the weather?
was bad?
Because it was her birthday.

9. What does "outnumbered" mean?
It means the enemy has more people than the other.

10 What was the date of D-Day? 6th of June 1944

Wednesday 1st April 2020 01.04.20

L. I. VE Day

~~On the 8th of May~~ Today is a great day! The War has ended! I was just sitting in my tiny Anderson-Shelter whilst listening to the radio when ^{suddenly} the radio ~~was~~ screamed, "I think this is joy to all of us, Germany have surrendered! THE WAR IS OVER!!" The first thing I did was run out of my shelter and run around as fast as a cheater saying to my naibes that WWII is over. What was your's? Me and my naibes arranged a street party all over town! There wasn't enough rationing so we had to bring our own. * All of us wore red, white and blue as ~~that~~ those are the colors of the UK flag. We all stayed up very late and had buns, gingerbread and what we pups ran out of drink. (A specialy wholehole!)

I hope you have a great time,
yours friend,
Riley.
